SAID ORDINANCE IS TO TAKE EFFECT UPON PASSAGE.

Keith Rattell stated the last raise was back in 2001 by Mayor Kos. He did a survey of other cities and proposed this specific raise. It seems in line in comparison to the others and is actually still a little lower but seems fair.

Alderman Moreau asked why the set up workers would receive such a large raise

Keith Rattell stated the set up workers work before and after Election Day. Generally Earl, in the maintenance department, does all the work but he does not have enough man power to do it so he must hire people but this is difficult because it is hard to get

people to do this job for only \$60 a day which then boils down to around \$15 per hr. but with even that, he would like to see more qualified people for the job.

Alderman Moreau stated he doesn't want just anyone touching the machines, they could break, there are liabilities and it could possibly cause a turn around in the elections.

Motion made by Alderman Zygarowski to approve.

Motion Accepted. 3-0 favorable
